PROFILE

Interior Designer with a Bachelor's degree in Architecture and 2+ years of full-time experience. Developed interior concepts for residential and commercial spaces and designed furniture showrooms from concept to technical drawings. Prepares furniture layouts and lighting plans, selects materials and finishes, and presents ideas with photorealistic 3D visualization.

EXPERIENCE

CG Artist / 3D Designer

FRANKOF, furniture factory, May 2025 – July 2026

- Designed furniture showroom interiors with functional zones for different collections, from concept and visualization to technical drawings.
- Prepared design documentation: furniture layouts and planograms, lighting plans, built-in furniture, cabinetry and wall finishing plans.
- Provided design revisions and remote consultations during renovation and furniture installation.
- Created photorealistic interior visualizations for marketing and sales.

Interior Designer / 3D Visualizer

MBA Development Group, remote, October 2024 – May 2025

- Developed interior design concepts for residential and commercial spaces, from first idea to visual presentation.
- Analyzed existing spaces and their potential to find functional design solutions.
- Selected color palettes, finishing materials, textures, furniture and decorative elements for cohesive interiors.
- Designed wall treatments, decorative elements and custom interior features.
- Read and interpreted architectural and technical drawings; prepared furniture layouts and lighting plans.
- Presented concepts with photorealistic 3D visualizations to support client decisions.

KEY TASKS I SOLVED

- Planned furniture showrooms: zoned the space for different collections and prepared layouts and planograms for installation.
- Prepared design documentation the installation team worked from: furniture layouts, lighting plans, built-in furniture, cabinetry, wall finishes.
- Supported renovation and furniture installation remotely, revising the design when site conditions changed.
- Developed interior concepts for residential and commercial spaces, from the brief and existing space to the client presentation.
- Combined materials, colors and finishes into cohesive palettes and presented them in photoreal 3D for client approval.

SKILLS

Interior concepts · Space planning · Showroom design · Materials and finishes · Color palettes · Furniture layouts · Lighting plans · 3D modeling · Reading architectural drawings · Archicad · 3ds Max · Corona Renderer · Adobe Photoshop

EDUCATION

Bachelor of Architecture
Ivano-Frankivsk National Technical University of Oil and Gas
2022 – 2026

LANGUAGES

Ukrainian (native), English (B1), Polish (B1)
